

THE miracle fund supports these

local and international charities

THE GUATEMALAN TOMORROW FUND • THE TIBETAN VILLAGE PROJECT • THE HIMALAYAN DENTAL RELIEF PROJECT • WORLD DENTAL RELIEF • DENTAL AID OF BOULDER • FRONT RANGE EQUINE RESCUE

THE MIRACLE FUND'S MISSION is for bringing health and healing worldwide, through action, rather than words. We applaud each individuals' gift of action from everyday kindness, to volunteer work, to giving what you can afford, and to those to whom find themselves with abundance of time and/or money, and see this abundance as a gifted responsibility of being of service. We applaud recent actions taken by people like Ted Turner, who like Oprah spoke up and challenged each of us to take action

vs. just talking: Sir Richard Branson, Bill Gates, Warren Buffet and "You" the everyday common man/woman whose actions speak louder than words!

The Miracle Fund has now joined with "The Guide to Health and Healing Magazine" to further this Mission by providing a voice to other non-profits with a similar Mission. We support such organizations as The Guatemalan Tomorrow Fund, The Tibetan Village Project, The Himalayan Dental Relief Project, World Dental Relief, Dental

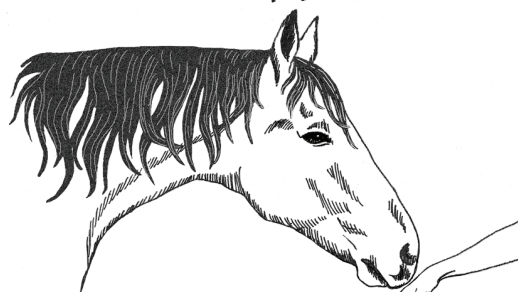

Aid of Boulder, Front Range Equine Rescue, etc. by providing a free voice in our magazine, cash donations and (incoming) generous sponsors.

We are hopeful that this support can grow with the growth of "The Guide to Health and Healing".

We sincerely thank you, our readers, for your support in this Mission. **☛**
